

AT3W

Acoustic Tube 3-Wire Surveillance Kit With Braided Fiber Cable

Experience clear and discreet communication with the 3-Wire Acoustic Tube Earpiece. The first wire connects to the earpiece, the second to the torpedo PTT, and the third to the lapel microphone for seamless communication.

*Shown with M connector

Features

- Industry leading 30lb pull strength at both ends of the PTT
- Quick disconnect clip - secures the earpiece and provides additional cable strain relief
- Twist-off acoustic tubes with hypoallergenic ear tips - hygienic, quick, and easy swap between multiple users
- All kits include 2 extra ear tips (clear and beige), with a variety of ear tip styles available (single, double, triple-flanged)
- Strong rotating clip
- High-quality omni-directional microphone
- Available in an extensive variety of device connectors
